Amendments to the Specification

Please insert the following paragraph after paragraph 16 on page 4 of the specification:

The amount of available bandwidth resources may also be calculated according to a specified upper limit of a transmission time for transmitting the software component to the requesting terminal. The amount of available bandwidth resources may also be available to the requesting terminal and may be included in the demand.

Please insert the after paragraph 59 on page 14 of the specification as follows:

It should be understood that the amount of available bandwidth resources may also be calculated according to a specified upper limit of a transmission time for transmitting the software component to the requesting terminal. The amount of available bandwidth resources may also be available to the requesting terminal and may be included in the demand.
